

Better Bands for Nebraska

This is your invitation to join us at the annual NSBA Summer Convention. Please take a few moments to browse through this brochure. We have tried to offer something for **everyone**.

Registration is only \$20. This is a bargain!!

There is a sharing session geared for middle school directors and this is the **fourth** year for the "Boot Camp for Young Directors". We are offering intense training sessions for marching band and concert band this year from the nations finest marching and concert band programs.

Please look through the schedule and I am sure you will find something that will benefit you as a teacher.

If you have never attended summer convention or it has been a few years, please come join us in Columbus for relaxing, but informative sessions.

Postmark your pre-registration by June 16th.

See you at convention!
