

NSBA SUMMER BAND CLINIC
 GOLF TOURNAMENT
 Thursday, July 8, 2010
 Quail Run Golf Course
 Columbus, Nebraska

Make it a point to join us on the links this year! Enjoy the company of all of your old friends and meet some new folks in a setting we can all enjoy. This is an especially great opportunity for young directors to get to know their colleagues. This is a **LOW PRESSURE** event, full of fun and laughs. Quail Run is a great course and should offer a fair challenge for the low handicapper as well as the novice.

We are going to continue the Texas Scramble format with a Lone Ranger. Scrambles involve 4-person teams playing four balls, but with each shot coming from the same spot (the best of the four drives is chosen and all four team members then hit from that spot, and so on). One drive from each member of the team must be used during the course of the round. Players in a group of four rotate as the "Lone Ranger;" on each hole, the score of the designated Lone Ranger is combined with the low score of the other three team members for the team score.

I will set up the foursomes based on your NSBA handicap (if you've played before) or your estimated score. Each foursome will have an A, B, C and D level player. **To do this it will be important that you send your registration in on time.**

Please plan to be there early as your team will be counting on you. We will start the first groups at 8:00 a.m. and I will e-mail your foursomes starting times to you. The convention begins with registration at 2:00 p.m. and the first session is presented at 2:30 p.m. The clubhouse is well-stocked with food and beverages. Call Rex Barker at Millard South (402)715-8525 or at home (402)895-5145 if you have any questions. My e-mail address is rbarker@mpsomaha.org.
